Internship Application

Congressman Jim Costa
U.S. House of Representatives
16th District, California
www.costa.house.gov
GENERAL INFORMATION

Congressman Jim Costa offers internships to qualified college students and graduates who are interested in gaining hands-on experience in a congressional office. Full and part-time unpaid internships are offered year-round in our Washington D.C. office and in our California district offices in Fresno and Merced.

In our Washington office, internships allow students to actively observe the legislative process while participating in the administrative operations of a congressional office. Intern responsibilities include attending hearings, researching legislative issues, responding to constituent inquiries, processing tour and flag requests, opening and routing incoming mail, giving tours of the Capitol, and performing general office duties.

In our Fresno and Merced offices, interns will gain hands-on experience interacting with constituents, elected officials, and community leaders. Interns will assist staff members in a variety of projects, attend community meetings and events, and communicate with state and federal agencies on behalf of District constituents to address their concerns.

Terms and dates of internships are flexible to accommodate course credit requirements and quarter and semester students. College graduates, who are interested in pursuing professional opportunities in government-related fields, are also encouraged to apply. Please remember that space is limited in all three offices, thus you are encouraged to call the office of your choice prior to mailing your application to confirm space availability. We look forward to having you on board!

Please submit completed Internship Application to the appropriate office listed below:

Congressman Jim Costa
Intern Coordinator, Fresno
855 M Street, Suite 940
Fresno, CA 93721
