Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the University of California San Francisco-Fresno Alzheimer's Center and Center for Aging and Neurological Disease Project in fiscal year 2022.

The entity to receive funding for this project is the UCSF-Fresno located at 155 N. Fresno Street, Fresno, CA 93701 and funding would be used to construct an Alzheimer's Center and Center for Aging and Neurological Disease with the purpose of providing clinical services for age-related care and serve as a center for geriatric and neurological education for students and residents.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

JIM COSTA  
Member of Congress
