The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for The City of Sanger's fire Station Remodel in fiscal year 2024. The entity to receive funding for this project is the City of Sanger located at 1700 7th Street Sanger, CA 93657-2804. The funding will enable the Department to The remodel of the existing 8,405 square feet of fire station, including the front lobby, administrative offices, training room, kitchen/living/sleeping quarters, restrooms and showers and storage facilities.

The project is an appropriate use of taxpayer funds because The City's Standards of Cover study identified the need to remodel and expand the fire station to meet unmet and future Fire and EMS needs of the Sanger Community. Furthermore, this remodel and expansion will provide the City with the ability to provide mutual aid to the other cities within the 21st Congressional District.

This project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely.

JIM COSTA
Member of Congress
